

Serving rising 3rd-12th graders

Aldersgate desires that everyone who is welcomed home will experience the heartwarming love of Christ! Our goal is to welcome campers where they are and to help them to discover who they are in Christ. We will do this by cultivating an atmosphere where they can encounter God's love, have their faith in Christ ignited, and become empowered to accept their faith as their own and live it out in the world! Campers will get to experience God on a whole new level through Bible studies, nightly campfire worship, and our many outdoor activities. We can't wait to welcome you home!

You will learn to love yourself, others and most importantly you will learn to love God!

WHAT IS ALDERSGATE ABOUT?

Aldersgate is a home away from home for many people. It is a place set apart in God's beautiful creation for people to come and experience Christ's love, grace and abundance! It is also a place for people to build community, grow deeper in their relationship with Christ and encounter God in the hills, valleys and creek banks. Aldersgate desires that everyone who is welcomed home will experience the heartwarming love of Christ! Our goal is to welcome campers where they are and to help them to discover who they are in Christ. We will do this by cultivating an atmosphere where they can encounter God's love, have their faith in Christ ignited, and become empowered to accept their faith as their own and live it out in the world! Campers will get to experience God on a whole new level through Bible studies, nightly campfire worship, and our many outdoor activities. We can't wait to welcome you home!

Dear moms & dads,
Summer camp season is just around the corner! We know there are a lot of summer camps to choose from and we want to thank you for considering Aldersgate. It is our hope that every person that sets foot at camp will feel God's presence and experience his grace, love, and abundance! Sending your child to camp is a big decision; however, we believe it is important for every child to experience camp where they will grow in community, be challenged, and deepen their faith. At Aldersgate, our counselors and staff are ready to pour into your child. We will surround them with love and encouragement while sharing with them the love and message of Christ. We know that your child's safety is a top priority. Here are a few steps we take to keep them safe.
Our summer staff go through an intense interview process. We get to know these young adults, what they believe, and how they interact with others. We screen their social media, past employment, as well as require multiple references. We perform a background check and a sexual offender search. After being hired, they train for two weeks, which prepares them to work with your child.
Our volunteers must also complete an application process including background check, multiple references, a sexual offender search, and complete a volunteer handbook training. Aldersgate practices Two Deep Leadership; there are two counselors per cabin where campers are placed in addition to staff at work throughout the week.
Camps will run Sunday through Friday again this summer. Be sure to look at our website, under 'For Families' for arrival and departure times as well as more information about our summer offerings! We are so excited that our new zipline will be an activity that will be offered this summer to Adventure aged campers and up! Our adventure activities are inspected and adjusted by an independent specialist to constantly improve and update our safety procedures. Aldersgate also performs daily inspections.
Campers often tell us that Aldersgate is where they first believed in God or felt His presence. We desire that everyone we welcome home will feel the heart warming love of Christ!
Thank you again for considering Aldersgate this summer. We hope to welcome you home soon! Please keep in mind that space fills quickly, so register early!
Take care and God Bless,
Aldersgate Camp Director
